RESPONSE TO NOTICE OF NON-RESPONSIVE AMENDMENT

Sir:

Applicants respectfully submit that Applicants' Amendment A of May 1, 2006 is fully responsive to the Official Action of February 3, 2006. In this Amendment A, Claims 11-14, which were the only claims subject to prior art rejections, were canceled. Accordingly, Applicants' remarks did not need to address the prior art rejections when Applicants' Amendment A was filed.

Based on these comments, Applicants respectfully request entry of the Amendment A of May 1, 2006 and further examination of the present application.

Respectfully submitted,
